Title:	Gram-schmidt orthogonalization and legendre polynomials				
Authors:	Kumar, Chanchal (/jspui/browse?type=author&value=Kumar%2C+Chanchal)				
Keywords:	Classroom situation				
	Raising broader issue				
	Personal experiences				
Issue Date:	2013				
Publisher:	Springer Link				
Citation:	Resonance, 18(2), pp.163-176.				
Abstract:	In this section of Resonance, we invite readers to pose questions likely to be raised in a classroom situation. We may suggest strategies for dealing with them, or invite responses, or both. "Classroom" is equally a forum for raising broader issues and sharing personal experiences and viewpoints on matters related to teaching and learning science.
